Profile

I have a diverse back ground spanning over 20 years in leadership, supervisory and management positions. I have a back ground in fields like Security, Operations and Program Management, Manufacturing, and Warehousing. I have a proven work ethic, positive attitude, and abilities to contribute to the over all success of the organization. I am now looking for the opportunity to expand my career into new opportunities in the Cyber Security field. I have recently graduated from the University of Minnesota Cyber Security Boot Camp as well as successfully passed the CompTIA Security Plus Certification.

I am looking forward to the opportunity to meet with employers and begin a new career in the Cyber Security Field.
